The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the council so they do not occur again in future years.

Minor issues

What is the issue?

The following issues have been raised as minor issues or omissions have been identified in the current year's Annual Return:

The smaller authority has included grant monies received in box 2, rather than box 3, other receipts.

Why has this issue been raised?

This is to draw these minor errors to the attention of the smaller authority.

What do we recommend you do?

The smaller authority should ensure in future years that the above minor errors or omissions are not included in the Accounting Statements.

Further guidance on this matter can be obtained from the following source(s):

No other matters came to our attention.
