What do our members do?

- *Gardening*: platform gardens, foreshore raised beds & wildlife area.
- *Painting*: Victorian railings, fencing etc...
- *Research*: for historical station and foreshore information boards.
- *Wildlife area*: installing bird and bat boxes, encouraging wild flowers.
- *Fund raising*: to finance station and foreshore projects.
- *Applying for grants*: for station and foreshore projects such as new foreshore benches, waiting room and foreshore information boards and artboards.
- *Liaising with Network Rail and Northern managers*: for permissions, funding, and improved station facilities.

New members always welcome!

There is no membership fee because members give their time to help improve the station environment or to help with fund raising.
